

FROM THE PRINCIPAL

Dear Parents and Community Members,

We are very excited to begin the 2017-2018 school year! We have opened a second kindergarten classroom and have hired 3 new teachers. Within the walls of Monroe Grade School, students have access to a learning environment that is rich in creativity, differentiation, and a commitment to a growth mindset. Instructionally, our team will continue to improve upon the instructional strategies we already use in the classroom and the development of Constructing Meaning. Teachers are focused on active participation, keeping students engaged in learning, and developing routines that are efficient and encourage student achievement. In addition, this year we are

looking forward to the completion of our Nature Play Park, an initiative 100% dependent on volunteers! Monroe Grade School continues to build upon partnerships with our parents, the community, the Monroe Library, OSU, 4-H, the Lane Arts Council, Strengthening Rural Families and more.

Thank you,

Principal | Kathi Holvey

STUDENTS

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

2014-15 was the first operational year of the new English language arts and mathematics assessments.
