

Consultants to the Board

The Board may engage persons in an advisory capacity when specific services are required that are beyond the capabilities or responsibilities of regularly employed personnel.

Such advisors may include attorneys, auditors, architects, agents of record, and others with technical skills or professional training.

The Board may appoint such advisors to serve for a specified period of time or may engage such advisors to perform specific tasks on a temporary basis. Except where the advisor serves under a written contract for a specified period of time, the Board may terminate such advisory services at its sole discretion.

The Board will conduct periodic reviews of the services and may request periodic reports to the Board. Prior to reappointment, the district may open proposals for service.
