

**Administrative Regulations**

Administrative regulations are detailed directions governing the operation of the schools.

The superintendent is directed to formulate such administrative regulations appropriate for the implementation of policies adopted by the Board and necessary for the consistent operation of the district.

When approved by the superintendent, administrative regulations will be distributed and included in existing policy books.

The superintendent has authority to act as needed where no policy has been adopted by the Board in dealing with an issue. The Board will be notified at the next Board meeting.

Any administrative regulation specifically mentioned and/or required in the pages of the District's Policy Manual shall be reviewed and approved by the Board. The Board shall review any other administrative regulation and may revise it by a majority vote if in the Board's judgement, such regulation is not consistent or representative with adopted policies and/or practices of the Board.
