

Board Policy Implementation, Dissemination, Suspension and Revision

Effective Date of Policies

All new or amended policies will become effective upon adoption by the Board, unless a specific effective date is included in the motion for adoption.

Policy Implementations

The superintendent and administrative staff will implement the policies of the Board. The superintendent shall formulate administrative regulations and procedures to assist policy implementation. It is the duty of the Board to evaluate the effectiveness of the policy and the effectiveness of the administration's implementation of the policy.

Policy: Dissemination

The written policies that govern the district will be maintained in a policy manual which will be updated by the district staff as new policies are developed or existing policies are revised or appealed.

Each member of the Board will be provided with a current policy manual. Each school in the district and the administration office will maintain a current policy manual, and will provide for staff and public access to the manual during regular office hours. The Board's policy manual will be considered public record and will be open for inspection at the district office.

Policy Suspension

The action to adopt a policy shall provide that it replace any prior policy or practice of the district with which it may be in conflict.

Policy Revision

The superintendent is given continuing responsibility to call the Board's attention to all policies that appear to need revision.

END OF POLICY
