

**Driver Education**

If a drivers education program is provided by the district, the program will be made available to all eligible resident students. The district will charge a tuition rate as established by the Board.

Eligible non-resident students may enroll in the district's driver education program if resources are available.

No resident student shall be denied enrollment in the district's driver education program based solely on the ability to pay tuition.

The district will develop procedures for establishing tuition rates, enrolling resident private school students, enrolling resident charter school students, enrolling non-resident students and reducing or waiving tuition.
