

Student Fund Raising Activities

With the permission of the administration, students under the direct supervision of their advisors, may carry out fund raising activities in which no outside fund raising agency or contract is utilized. Where funds are to be raised through an outside agency or contracted activity, the activity must receive prior approval by the Superintendent. Activities that include fund raising for charitable or other causes not related to school activities must obtain prior approval from the administration.

If fund raising consists of selling food and beverage items to students during the regular or extended school day, the food and beverage items must comply with state and federal nutrition standards, rules and laws. This does not apply to food and beverage items sold at school-related or nonschool-related events for which parents and other adults are a significant part of the audience.
