Married Students**

Legal Age

An emancipated minor living in the district is considered a resident of the district. A minor claiming to be emancipated should submit proof as required by law.

Pregnant & Parenting Students

A pregnant and/or parenting student shall be encouraged to continue with an educational program and to participate in all school-sponsored activities unless physically unable. The student and physician, in cooperation with district staff members, will develop an appropriate educational plan if it is agreed that the pregnant and/or parenting students' needs cannot be met by the regularly provided school program.

Neither pregnancy nor parenting constitute an exemption from Oregon compulsory attendance law.

Married Students

Married students residing in the district are considered to be of legal age and are urged to complete requirements for their high school diploma. They may participate in school activities under the same terms and conditions as other students.
