

Administrative Reports

The superintendent will report to the Board on a regular basis concerning the status of the district and its programs. Such reports will describe current conditions and indicate current needs of the schools.

No later than January 15 of each year, the superintendent will inform the Board and community regarding the district's compliance with the minimum standards established by the Oregon Department of Education.

Others may be requested by the Board or Superintendent to provide reports as are necessary to inform the Board about the district's programs or to allow the Board to plan for future actions.
