

Vandalism/Malicious Mischief/Theft

Students and citizens are urged to cooperate in reporting any incidents of vandalism/malicious mischief/theft and the name or names of the person or persons believed to be responsible.

Each district employee will report to the principal or other person in authority incidents of vandalism/malicious mischief/theft and the name of the person or persons responsible, if known.

Principals will report any vandalism/malicious mischief/theft or damage to their buildings, to the superintendent. The superintendent will report to the Board regarding major vandalism/malicious mischief/theft or damage to district property.

The superintendent is authorized to sign a criminal complaint and to press charges against those committing acts of vandalism/malicious mischief/theft of or against district property. Because incidents of willful or malicious abuse, destruction, defacing and theft of district property are clearly contrary to the best interests of the district and injurious to the rights and welfare of the entire community, it is the policy of the Board to seek all legal remedies against persons found to have committed such acts. Full restitution for the damage will be sought from such persons, or, in the case of minors, from their parents. Until such fees or restitutions are paid, certain restrictions and/or penalties may be imposed. Records requested by another district to determine a student's appropriate placement may not be withheld.

Students who willfully destroy district property through vandalism/malicious mischief/theft or arson, who commit larceny or who create a hazard to the safety of other people on district property will be disciplined in accordance with state law and the Board's policy on student suspensions/expulsions and referred to law enforcement authorities.
