

**Use of District Activity Vehicles for Student Transportation**

The Board may provide for the use of vehicles, commonly designated as Types 10, 20 or 21 pupil transportation vehicles, which do not meet the requirements of a “school bus” for the purpose of transporting students, licensed, classified or other supervisory personnel to and from curricular and extracurricular activities sponsored by the district.

The vehicle shall be insured for bodily injury, property damage, uninsured motorist coverage and personal injury protection. The insured amount will be the same as regular school buses.

The district will meet or exceed minimum driver requirements and procedures as set forth in Oregon Revised States Section 53. The district will require in-class instruction as part of its driver training approval process. The district shall meet child safety system requirements and minimum standards and specifications as set forth in ORS 811.210, 815.055 and 815.080 and OAR 735-102-0010.
