

Layoff and Recall for Administrators

This policy is applicable to all licensed administrators below the rank of assistant superintendent who are not considered teachers under ORS 342.934.¹

The Board retains the right to determine when a layoff is necessary. Layoffs shall be by position. A reduction in hours does not constitute a layoff.

The factors considered in the layoff process will be license, seniority, qualifications, merit, and/or competence.

The Board expects administration to retain, consistent with state law, the most capable and productive of the licensed and qualified employees needed to carry out the approved programs of the district's schools.

Prior to initial development of a recall procedure for administrators the Board will consult with the employees or a designated representative of the employees covered by this policy.

Administrative regulations shall be developed to implement this policy.
