

Public Gifts to the School

All gifts to the school will become the property of the district.

The superintendent is authorized to accept gifts to the district on behalf of the Board. The donor will be officially thanked in the Board's name and all major gifts will be reported to the Board and publicly announced.

In instances where the superintendent doubts the appropriateness or usefulness of an offered gift, the gift may be declined or the matter may be referred to the Board.

The Board welcomes gifts of books and other materials to the school library provided that they meet the same standards of selection as those applied to the purchase of library materials.
