

## **Every Student Belongs**

Monroe School District #1J provides equal and open access and educational opportunities for all students regardless of their linguistic background, culture, geographic location, race, color, religion, sex, sexual orientation, national origin, marital status, age, or disability.

All students are entitled to a high quality educational experience, free from discrimination or harassment based on perceived race, color, religion, gender identity, sexual orientation, disability or national origin.

All employees are entitled to work in an environment that is free from discrimination or harassment based on perceived race, color, religion, gender identity, sexual orientation, disability or national origin.

All visitors are entitled to participate in an environment that is free from discrimination or harassment based on perceived race, color, religion, gender identity, sexual orientation, disability or national origin.

“Bias incident” means a person’s hostile expression of animus toward another person, relating to the other person’s perceived race, color, religion, gender identity, sexual orientation, disability or national origin, of which criminal investigation or prosecution is impossible or inappropriate. Bias incidents may include derogatory language or behavior directed at or about any of the preceding demographic groups.

“Symbol of hate” means a symbol, image, or object that expresses animus on the basis of race, color, religion, gender identity, sexual orientation, disability or national origin including, the noose, swastika, or the battle flag<sup>1</sup> of the Confederacy, and whose display:

1. Is reasonably likely to cause a substantial disruption of or material interference with school activities; or
2. Is reasonably likely to interfere with the rights of students by denying them full access to the services, activities, and opportunities offered by a school.

The district prohibits the use or display of any symbols of hate on school grounds or in any district- or school-sponsored program, service, school or activity that is funded in whole or in part by monies appropriated by the Oregon Legislative Assembly, except where used in teaching curriculum that is aligned to the Oregon State Standards.

In responding to the use of any symbols of hate, the district will use non-disciplinary remedial action whenever appropriate.

---

<sup>1</sup> While commonly referred to as the “confederate flag,” the official name of the prohibited flag is the Battle Flag of the Armies of Northern Virginia.

The district prohibits retaliation against an individual because that individual has in good faith reported information that the individual believes is evidence of a violation of a state or federal law, rule or regulation.

Nothing in this policy is intended to interfere with the lawful use of district facilities pursuant to a lease or license.

The district will use administrative regulation ACB-AR - Bias Incident Complaint Procedure to process reports or complaints of bias incidents.
