

Meeting Called to Order at 6:03 P.M. by Chair Riley Holman.

Members attending: Riley Holman, Sarah Fay, Sherrie Deaton, Chris Irwin, and Superintendent Bill Crowson.

Also present: Marie-Louise Martinson, Steve Martinson, Sarah Wadsack.

Annual State English Language Learner Report. Marie-Louise Martinson presented the 2019-20 State English Language Learner (EL) Data; Monroe School District data is not available (not released) yet. Since our groups are small data can be skewed. COVID limitations did have an impact but we were able to utilize LIPI (small) groups in the building which was actually very helpful. There were some safety concerns amongst some families. Mrs. Martinson was able to do several home visits as well last year. Question: how do you believe these families feel about the masking issue? Mrs. Martinson believes these families (EL) are supportive of masking and following the rules. Question: how was the technology use amongst EL students? Very good engagement with technology and online learning. The district was able to help secure internet for some.

Board Goals reviewed:

Increase Student Contact/Building Time/In-Person Instruction

- a. Open hybrid K-12
- b. Transition to full-time instruction
- c. Maintain/expand CTE programs
- d. Maintain/increase LIPI programs

Prioritize remaining projects and bond dollars

- a. Create five year maintenance plan
- b. Plan for CET projects and maintenance

How do we attract families and students to Monroe?

Athletic participation and facilities (improving facilities, expanding facilities)

Renovate tennis courts/basketball court, fencing on south end of HS

Expand and build CTE programs

Automotive

Building Trades

Medical Terminology/Nursing

Small Business/Entrepreneurship/Marketing

(need to survey to see what interests are)

How do we communicate better with constituents?

Blackboard System

Do we want weekly updates? Bi-weekly?

New Goals:

- a. Bi-weekly communication with families via Blackboard
 1. Emphasize the need to get accurate cell and email information from parents
- b. Emphasize extra-curricular activities for all students. Continue to build and expand facilities where possible.
- c. Expand and build CTE programs at HS level and investigate middle school level programs (survey). Look at potential summer enrichment activities.
- d. Build five-year district-wide maintenance plan.
- e. Build five-year district-wide technology plan.

Next meeting (tentative): Tuesday, August 24th

Adjournment: 7:55 P.M.

Riley Holman, Board Chair

Bill Crowson, Superintendent
