

Compliance and Reporting on Standards

The superintendent will prepare an annual report that represents the district's compliance with the standards adopted by the State Board of Education for the preceding school year and submit that report to the Board.

The district's annual report will be presented orally at a public Board meeting by November 1 of each school year and will allow public comment on such report. This report will be posted on the district's web page.

The district will report on its compliance with state standards to Oregon Department of Education (ODE) by November 15 each year on a form provided by ODE.
