

Superintendent

The superintendent¹ is the chief executive officer of the district and has, under the direction of the Board, general supervision of all schools, personnel and departments of the district. The superintendent is responsible for managing the schools under the Board's policies and is accountable to the Board for that management. The Board may not direct the superintendent to take any action that conflicts with a local, state or federal law² that applies to school districts³.

The superintendent may delegate to other school personnel the exercise of any powers and the discharge of any duties imposed upon the superintendent by these policies. Delegation of power or duty, however, will not relieve the superintendent of responsibility for action taken under such delegation.
