Conditions: The Monroe School District #1J reserves the right to revoke permission for an interdistrict transfer student to attend district schools at any time without prior notice. The approval of an interdistrict transfer does not create any right to attend district schools, even for the remainder of a current school year. The Superintendent or designee may immediately revoke permission to attend District schools for students whose conduct or academic efforts are not satisfactory to the principal. *Parents are reminded that this transfer application, if approved, will allow the student to complete an academic transfer, but does not guarantee eligibility to participate in competitive interscholastic activities at the receiving school. Competitive eligibility is determined by Oregon School Activities Association (OSAA) rules. If you have questions about OSAA eligibility, contact the activities or athletic director at the receiving school prior to completing the transfer.*

I agree to the above conditions and understand that it is necessary and required for me to assume all responsibility for transportation.
