\* Number of children enrolled in this site as of March

\*\* Additional children not included in enrollment number for whom immunizations are not required to be reported because their records are tracked by another site or attend fewer than 5 days per year

\*\*\* Percent of children with no immunization or exemption record

**The chart shows both the vaccination and nonmedical exemption rates (NME) for each vaccine.** These numbers may not total 100% if some children have medical exemptions, or are incomplete or in process with immunizations but do not need an exemption because they are on schedule.
