Student of the Week

Rosalinda Mondragon-Avalos

Rosa brightens every room she walks into! She's incredibly kind, friendly, and outgoing, always making others feel welcome and included. In the classroom, she's a joy to have—she works hard, participates with enthusiasm, and brings positive energy every day.

Outside of class, she stays active by playing flag football in the spring and volleyball in the fall, showing the same team spirit and determination on the field as she does in school. We're lucky to have her as part of our community!

- ❖ We will have an Army recruiter here to visit and share information, for interested students, on Wednesday 4/23 during advisory. If you are interested, please stop by and get a pass from Ms. Fuller.
- ❖ A community member is looking for some students to help move furniture in their home. Come to the office you would like more information.
- ❖ **RYLA** is an all-expense-paid leadership camp in June available to Sophomores and Juniors, and it offers a supportive, positive environment for students who are interested in developing leadership skills, building relationships, and gaining confidence while enjoying the outdoors and connection with peers. Please contact Ms. Fuller if you are interested.
